## How to enter an image on Flickr in the OU Camera Club Challenge

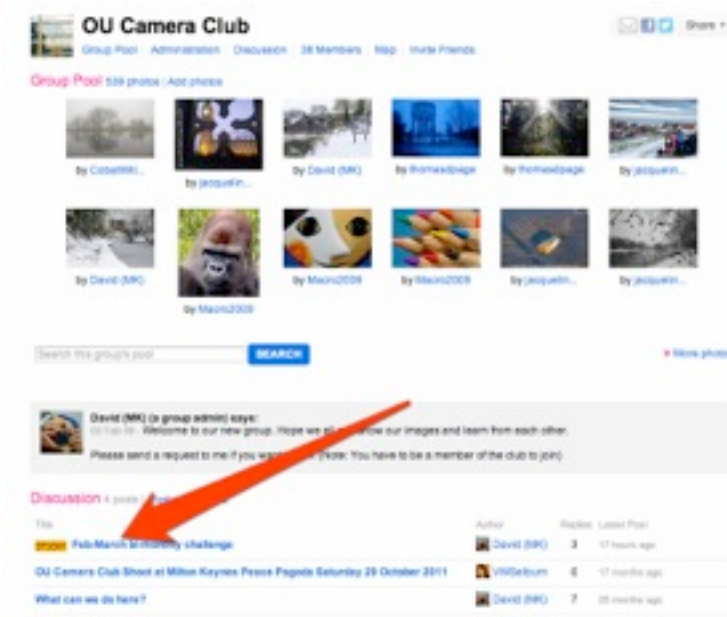

First go to your images in your Flickr account and locate the image you want to enter in to the challenge. Select the image then choose the 'Share' button

Make sure the size is set to Medium 500  
HTML is selected

Then highlight and copy the link shown on the box under 'Grab the HTML/BBCode'

Go to the OU Camera Club Flickr group and click on the group discussion for the challenge.

Once in the discussion go down to the last entry and click in the “Reply to this topic?”

Add the next number image to the box and a title for your image.

Below that paste in the link you copies from the image you wish to enter

Click ‘Post Now’ and it should be added to the thread.
